

## **Operational Changes for DM Series™ Mailing Systems (Effective June 23, 2012)** Applies to DM100i, DM200L, DM225, DM300c, DM400c, and DM450c

Effective June 23, 2012, changes have been made that affect the operation of your product. Listed below are the changes.

### **Express Mail Changes**

- An option called **Padded FRE** (Padded Flat Rate Envelope) has been added to the Express class menu just below the Express Flat Rate Env option.

### **Domestic Fees**

A option called Offline ERR has been added under Domestic Fees. Offline eRR (Electronic Return Receipt) allows you to process Certified Mail™ with Electronic Return Receipt using applications other than Pitney Bowes' electronic Certified Mail solution.

If you already have a Certified Mail solution, or acquire one outside of Pitney Bowes, you can use the Offline ERR feature to process your Certified Mail and Electronic Return Receipt without entering or scanning the tracking number into the meter. The appropriate fees for Certified Mail and ERR will be applied to the mailpiece automatically. You then refer to your service provider's application to track the mail and obtain the electronic return receipt.

Follow the steps below to select the Offline ERR feature:

1. On the main screen, select **Class**. The Select Class menu opens.
2. Select **US Domestic**.
3. Select **1st Class**.
4. Select **Letter**.
5. Select **Certified**.
6. Select **Offline eRR**.
7. Press **Enter**. The system returns to the main screen.

### **International Express Mail Changes**

- An option called **Padded FRE** (Padded Flat Rate Envelope) has been added to the Express class menu just below the Int Express Flat Rate Env option.

### **Presort Xtra Changes**

- When **Presort Xtra - First Class Letter** is selected, the Eagle Image will no longer be printed.

### **Bound Printed Matter Changes**

- \* The menu options for Pkg Service, BPM Flat and BPM Parcel have been removed from the meter. These are Permit-only classes that cannot be paid using a postage meter tape.

## Where to go for Help

For more details on USPS services, contact your local Post Office.

---

**NOTE:** Personalized rate change information is also available at [www.pb.com/ratesandupdates](http://www.pb.com/ratesandupdates)

- Click on ***“My Account Sign In/Register”*** link located in the **Hot Topics** section of the page.
  - Enter your **My Account** username and password and click on the green **Sign In** button.
  - Click on the ***“View Rates and Updates/Meter Firmware”*** link in the **Manage Products** section.
-

**NOTE:** We added Express Mail Padded Flat Rate Envelopes.
